

ASSASSIN BOXING PROMOTIONS

SPONSORSHIP BROCHURE

WELCOME

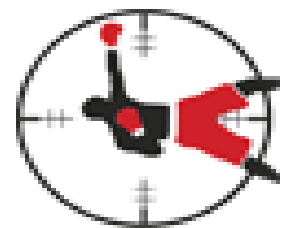

We train, manage and promote boxing professionals of the future. Whether they are an existing pro, an amateur boxer, white collar fighter, or an aspiring athlete, we have the skill, knowledge and experience to transform their goals into a firm reality.

With unique and thrilling events taking place throughout the year across The U.K, along with our fighters being staged at some wonderful cards across the globe, we believe that your brand will get sufficient exposure throughout the course of the sponsorship deal. With emphasis on providing value for money

With the ever growing interest in boxing over recent years, there has never been a better time to launch your brand into the thrilling industry of boxing. Be able to watch your sponsored boxer, train, leisure and do battle with your company name and logo maneuvering with every jab and hook thrown.

Sponsorship is a way for you to obtain the commercial benefit of being associated with a brand that receives exposure through live televised events, social media, website coverage, radio, newspapers and celebrity orientated events.

SPONSOR OUR FIGHTERS

The popularity of boxing in The U.K is ever growing with the biggest names in world boxing constantly taking to our shores to fight. With our industry on such a rise, there has never been a better opportunity for your business to leap on board, and involve your business with the sport. The audience of UK boxing is world wide, with those from America & Asia tuning in to watch The U.K elite level athletes go toe to toe with one and other.

This opportunity to see your logo all around the world, move with every jab thrown by our boxers is a unique opportunity not to be missed. Our fighters are staged at some of the top boxing arena`s in the world, including York Hall, while we also ensure our sponsors are seen when our fighters are out doing publicity work, and are even available to go to your events to attract even more publicity for your business, brand and event.

WHO CAN YOU SPONSOR?

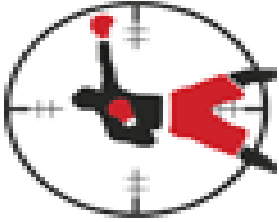

We pride ourselves in having one of the best stables out of any promotional company across The U.K, and as thee fastest growing stable across the south coast, the ability to sponsor top athlete`s on a global scale from Ireland & The UK as well as from The States through Assassin Boxing, has now become possible.
